

Get the best price possible on rent to own homes in Miami by working with us at ShortPropertySales.com. We have a large selection of rent to own homes available in Miami and many other Florida areas. Don't let your prior credit mistakes stop you from owning a great rent to own home in Miami. We work with all credit ratings; approval is based on your income and employment instead of your credit score. If you have a solid income status or employment history you are approved to buy any one of our rent to own homes in Miami. Our rent to own homes in Miami are affordable; prices start at just \$500 per month on select homes. We have rent to own homes in Miami available in all sizes ranging from 2 bedrooms up to 4+ bedroom homes. We have rent to own houses, rent to own condominiums, and rent to own townhomes available in most Miami areas. Get started today by completing our housing inquiry form below and our housing team will contact you to discuss our available homes and prices.
